#### Vehicle Expense Notes

**Business auto expenses are one of the most frequently audited items on a tax return. For each vehicle used for business you must complete an Auto Expense Worksheet and include a mileage log.**

### Office in Home Information

This business is a daycare facility. If yes answer the following questions:

How many days/year was the area used? \_\_\_\_\_ How many hours/day was the area used? \_\_\_\_\_

#### Complete the following information for all home offices.

Total Square Footage of Home	_____	Square Footage Used Regularly and Exclusively for Business	_____
Mortgage Interest	_____	Insurance	_____
Real Estate Taxes	_____	Rent	_____
Repairs & Maintenance (whole house)	_____	Repairs & Maintenance (office only)	_____
Utilities	_____	Other	_____

#### Office in Home Notes

If you typically use the simplified method, enter only the square footage amounts.

Otherwise, other than for repairs and maintenance, include the entire amount and I will determine the proper deduction.

Do not include landscaping or other outdoor maintenance/improvements in this section. Many court cases have determined such expenses do not qualify for this deduction.

### General Expenses

### Expense Notes

Include "consumable" office supplies in office supplies (pens, paper, toner, cleaning & breakroom)

If applicable (even if you don't have inventory), include job-specific supplies (craft materials, wholesale parts, etc.) in Cost of Goods Sold section, below

Gift expenses are limited to \$25 per person or per household.

Most business meals are only 50% deductible but please include the entire amount. Do not include your receipts. If your return is examined (audited) you must be able to show the date, place, amount (not "lavish or extravagant") and business purpose of the meal. For TY2021 otherwise qualifying business meals purchased from or eaten in a restaurant are 100% deductible.

**If you are using your personal vehicle or your home for business you are essentially converting a portion of your personal property to business use property. This allows you to take a deduction but also creates tax consequences when that property is sold!**
